## A Message from Pastor Allman

by Pastor David Allman

One day, during the first week in May, I saw a comic strip that showed one woman asking another, “*Can you believe March is over already?*” and the other woman responded, “*It’s May!*” Apparently I am not the only one feeling like 2017 is racing along too fast. One positive thing I can say about June is that Heather will finally be home, along with her “friend” Dean. It has been a l-o-n-g two years for Candy and I, and we are very excited to have her home for a while, at least until they find jobs which will mean moving again.

I do not know how your 2017 has been going, although I can say from Redeemer’s perspective it has been busy. We finished our second Alpha Series, with the addition of a

third SCC church – St. Andrew Presbyterian – teaming up with St. John Divine and us. Our third session begins September 11<sup>th</sup> and goes through November 20<sup>th</sup> – the Monday before Thanksgiving. Now is the time for those who have gone through Alpha to invite someone to come along with them to the next one – especially someone who is not already attending a Church somewhere. Do not invite them to all eleven weeks. Invite them to the first night, to enjoy good food, a good video and good community – all for free. After that first night then the person can decide whether to come back for the rest.

Along about this time each year I look forward to a summer slowdown, although I am not sure we have experienced one in

the four years that I have been here. It seems like the only thing that slows down is attendance with the “snow birds” returning to their northern homes and others taking extended vacations. Is it still a vacation if one is retired? Our summer as a staff and Council will be busy looking ahead to how we will best lead the people of Redeemer into God’s preferred future for us.

As the people who make up the Body of Christ here at Redeemer, please keep us all in your prayers: those who have returned North; those traveling for the summer; those who remain here in SCC; the Council; the staff; and, remember to pray for yourselves. You are an important part of the Mission of Redeemer – To proclaim Jesus Christ. To grow in Faith. To love all people.

*Pastor Allman*

## News from the Parish Administrator

### June 2017

by Susan Warner

Here in the office, Kadie and I are looking forward to the summer! Things typically slow down as programs stop and our snowbirds fly away north. We have some special projects to work on and we are excited about having the time. In early July look for mid-year (January-June) contribution statements. Please review and if there are any issues please contact me so we can get them resolved.

Our Visitation/Communion Teams continue to reach out to our members in need with companionship and communion. Our parish nurses are providing support to our members with medical issues. **If you know of anyone who needs visiting or help with a medical question, or if you would like to be one of our volunteers providing care, please feel free to contact me at [carekeepersccr@gmail.com](mailto:carekeepersccr@gmail.com) or call the church office at 813-634-1292. Our list of folks who are homebound keeps increasing and we could use more team members to visit them, particularly men to visit other men.** If you have a couple of hours a month to reach out to one of these members please consider joining us. It makes such a difference in their lives as many are lonely and craving human interaction; I often receive feedback from those visited saying how much it meant to them. Believe me; you will be even more blessed by the visit!

## Hello Redeemer Family!

by Heather Allman

I'm writing you with a very excited (and tired) heart, as I'm getting ready to leave Korea at last! In two days, I'll be departing this beautiful country that I have been so lucky to call home for the past two years. Time is going so fast, and everything around me feels like a whirlwind I just can't grasp or control. Luckily, I'm slowly getting there, but it's a lot of work. This last month has been so busy trying to get ready to go, while trying to take in and enjoy a lot of things for the last time.

This month, Dean and I were asked to star in a promotional video for the city of Jeonju promoting one of the traditional markets here. We went to the Jeonju International Film Festival (with press passes from the magazines that we write for!) We visited a market at dawn and bought some produce from local farmers. Dean left for London about two weeks ago, and since then I've spent my time enjoying the city that has been so kind to me while I've lived here. I've eaten so much Korea food, drunk traditional Korean tea, and have tried to enjoy every moment of every day that I can. I even made sure to stock up on the infamous South Korean cosmetics.

*Heather and Dean with their press passes at the Jeonju International Film Festival.*

Now that my time here is ending, it's time to go traveling, and I cannot wait! Thank you all for following my travels and experiences over the last two years, and for everything you do to reach out to me through my parents and the mail. How much you care really means a lot to me, and I know that God has kept me safe, happy, and healthy here. I have learned a lot, I met Dean(!), I taught some incredible kids I'll never forget, I traveled to countries I never dreamed of seeing, and now it's time to come home. I can't wait! I'm sorry to cut this short, but I still have a lot of packing to do! Thank you again for everything, and I look forward to seeing all of you very soon!

God's Love,

Heather

# JUNE STEWARDSHIP

by Pastor David Allman

Leadership. We have all used the word at one time or another. What does it actually mean? Especially, what does it mean in the Church? For some, the Council is the leadership of the Church. For others, the Pastor is the leadership of the Church. The truth is, those few people cannot possibly provide all of the Leadership necessary for the operation of a Church, even the size of Redeemer.

Perhaps it is not surprising then that leadership development is picking up steam as a hot topic in The Church. From top to bottom, the shortage of leadership is becoming so apparent that some are calling it a crisis. In more and more places, we do not have enough clergy and lay leaders who can envision, organize, evangelize, preach, teach, financially support and do everything in between.

Each and every one of us is called to be a follower, imitator, disciple of Jesus Christ. Developing leaders here at Redeemer is essential to the future of this congregation. The Letter of James says, *“But be doers of the word, and not merely hearers”* (1:22). Some of you may remember a man by the name of Harry S. Truman who once said, *“In periods where there is no leadership, society stands still.”* All groups and organizations, including Redeemer, require leadership if we are to continually move forward.

Leadership author and speaker, John Maxwell, said, *“Leaders who develop followers impact this generation. Leaders who develop leaders impact the next generation.”* That describes the men and women who are named as Charter Members of Redeemer. Let us also look for ways that we can make an impact for generations to come.

In our community of Sun City Center I often hear people say “I am retired now. It is someone else’s turn.” The hard truth is, 99.9% of the people at Redeemer are retired, and although many (if not all) have already had “their turn,” there is no “someone else” who has not already taken their turn.

### Social Ministry and Benevolence Thank you!

The Social Ministry Committee wishes to thank you on behalf of Pastor Bill and Teresa Cruz at the Good Samaritan Mission. They were overwhelmed by the generosity of Redeemer's congregation. The baby products and health supplies will be used to enrich their clients. Over 500 items were delivered and we also gave them a check to restock their shelves when necessary. The Thrivent Action Team supplies \$250 in products for the mission.

Pastor Allman was blessed to receive the large sum of money to help our members. His discretionary fund will help him when the need arises. Our congregation has a big heart and truly adds God's blessing to many people.

Social Ministry Committee.

#### School Supplies

Believe it or not we are already looking to the new school year. We are asking for your support for local school students by providing school supplies. The most needed supplies are wide rule notebook paper, #2 pencils, erasers, Crayola crayons, and colored pencils. Scissors are also a needed item. We will supply a list for your shopping pleasure. If you would like to donate money, please write school supplies on your check. Children in many of our schools have parents on very limited budgets and the startup cost for school is overwhelming. We hope to provide the schools with some needed supplies.

Thank you for your help, Social Ministry Committee

# JUNE EVANGELISM

## What is Evangelism?

Americans are fed up, searching, and drifting: fed up with church or their perception of church, searching for spiritual guidance. As Christians, we know that we hold the good news of Jesus, who is the way, the truth, and the life that the whole world needs. We know that humanity will be “restless,” until it finds rest in the Lord Jesus Christ.

The term evangelism stems from the New Testament Greek word **euangelion**, meaning “good news.” Evangelism is the sharing of the life giving Gospel of Jesus Christ in word (proclamation) and deed (actions). The same Jesus that said he came to preach the good news and “to seek and save the lost” (Mark 1:38; Luke 19:10) also said that he came as the fulfillment of Isaiah’s prophecy:

“The Spirit of the Lord is upon me, because he has anointed me to bring good news to the poor. He has sent me to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord’s favor.” (Luke 4:16-21, Isa. 61: 1-3)

There are three aspects of evangelism that we all must follow:

**Proclamation:** Jesus said, “Go into all the world and proclaim the good news to the whole creation.” (Mark 16:14)

**Social Action:** We must show our good news by helping others who are in need, by caring for our sick and lonely, and by welcoming visitors to our church.

**Invitation:** We need to invite our friends and neighbors to church.

In all of our work, we must especially remember that God is the great evangelist, and yet he graciously allow us, his Body, to be “his ambassadors, making his appeal through us”. (2 Corinthians 5:20) Evangelism wasn’t a dreaded task in the early Church, it was a joy to share the good news: of salvation for the world through Jesus Christ. The Church will experience joy and abundant life as it stretches beyond its walls. We must, though, take heed to hold together, equally, proclamation, social action, and invitation in our evangelistic efforts.
