## A Message from Pastor Allman by Pastor David Allman

The word “Spirit” is used in the Bible 566 times in the New Living Translation. That many times leads me to believe that God considers the Holy Spirit and our Spirit to be very significant. From Genesis 1:2 when God’s Spirit hovered over the waters of Creation to Revelation 22:17 when God’s Spirit invites everyone who is thirsty to come and drink from the waters of eternal life.

In January I returned to Seminary. I have enrolled in a continuing education class titled “Spiritual Direction.” I firmly believe that we can never stop learning and growing. As I write this I am preparing to leave for a week of onsite learning and also reviewing the books I will need to read and papers I will need to write. Part of me wonders, “What was I thinking?” and part of me

is very excited about something that takes me outside of my comfort zone.

Most Lutherans, I think, shy away from talking about the Holy Spirit and our own spirituality. Many who take the Alpha series do not come for the “Holy Spirit” days. I think talking about the Spirit makes us uncomfortable. I know it can make me feel uncomfortable sometimes. Yet we recently loved hearing the story of how Gabriel told Mary that the child born within her would be conceived by God’s Holy Spirit. We recently were in awe of the story of Jesus’ baptism when the Holy Spirit descended on Jesus like a dove. After Jesus’ baptism we confirm that Jesus was led by the Holy Spirit into the wilderness for 40 days. And, perhaps a little uncomfortable when John the

Baptist tells us that Jesus comes to baptize us with the Holy Spirit and with fire. We also take delight in hearing how the Holy Spirit descended on the disciples like tongues of fire on the day of Pentecost.

In our doctrines and teachings we baptize children in the name of the Father, Son, and Holy Spirit. We teach that the child is forever more marked by the sign of the cross and sealed with the Holy Spirit; that the Holy Spirit lives in that person forever; and, that through the Holy Spirit we are each (every one of us) given spiritual gifts for building up the body of Christ -- that is, to help each other.

God’s Holy Spirit and our Spirit are the ways in which we communicate with God and God communicates with us. When

you pray do you take the time to “be still” as the Bible states and listen for God to answer? Or, do you check off your prayer list and rush on to the rest of your to-do list? Would you go to the doctor and check off all of your ailments and immediately rush out the door without allowing the doctor to respond? I doubt it. Let me encourage you to think more about your Spirit and God’s Holy Spirit, just as I will be in the months ahead.

## February 2018

by Susan Warner

January was a very busy month! There is a lot of work that goes into preparing for our Annual Meeting each year. We have a lot to celebrate at Redeemer Lutheran. We are a very busy congregation! Just look at our Welcome Table and all the things you can sign up to participate in. At the bottom of this article there is a list of upcoming events you are invited to participate in! There are opportunities to help with various aspects of the Rummage Sale. For more information talk with Jane Trefren.

The Ministry Fair is February 25<sup>th</sup> immediately following the 10:00 AM Worship Service. This will be our third Ministry Fair and we expect this one to be as successful as the previous ones. A light lunch will be provided courtesy of a Thrivent Action card. There will be tables in Buhr Hall manned by people who participate in the various ministries of Redeemer. We will also be raffling off 3 Publix gift cards. Representatives from Social Ministry, Worship and Music, Church Council, and more will be available to answer any questions you might have and you will have the opportunity to sign up to join the things that are of interest to you. We hope to see you there!

Our Visitation/Communion Teams continue to reach out to our members in need with companionship and communion. Our parish nurses are providing support to our members with medical issues. **If you know of anyone who needs visiting or help with a medical question, or if you would like to be one of our volunteers providing care, please feel free to contact me at [carekeepersccr@gmail.com](mailto:carekeepersccr@gmail.com) or call the church office at 813-634-1292. Our list of folks who are homebound keeps increasing and we could use more team members to visit them, particularly men to visit other men.** If you have a couple of hours a month to reach out to one of these members, please consider joining us. It makes such a difference in their lives, as many are lonely and craving human interaction; I often receive feedback from those visited saying how much it meant to them. Believe me, you will be even more blessed by the visit!

# FEBRUARY STEWARDSHIP

by Pastor David Allman

I recently enrolled in a class at Lutheran Theological Southern Seminary. One of the books we are reading is titled “Celebration of Discipline” by Richard J. Foster. Two pages I recently read moved me to use his words for this article. Here are the words from Foster on the discipline of Simplicity, pages 80, 81.

“Simplicity begins in inward focus and unity. It means to live out of what Thomas Kelly calls “The Divine Center.” Kierkegaard captured the nucleus of Christian simplicity well in the profound title of his book, Purity of Heart Is to Will One Thing.

Experiencing the inward reality liberates us outwardly. Speech becomes truthful and honest. The lust for status and position is gone because we no longer need status and position. We cease from showy extravagance not on the grounds of being unable to afford it, but on the grounds of principle. Our goods become available to others. We join the experience that Richard E. Byrd, after months alone in the barren Arctic, recorded in his journal, *‘I am learning...that a man can live profoundly without masses of things.’*

Contemporary culture lacks both the inward reality and the outward life-style of simplicity. We must live in the modern world, and we are affected by its fractured and fragmented state. We are trapped in a maze of competing attachments. One moment we make decisions on the basis of sound reason and the next moment out of fear of what others will think of us. We have no unity or focus around which our lives are oriented.

Because we lack a Divine Center our need for security has led us into an insane attachment to things. We really must understand that the lust for affluence in contemporary society is psychotic. It is psychotic because it has completely lost touch with reality. We crave things we neither need nor enjoy. ‘We buy things we do not want to impress people we do not like.’ Where planned obsolescence leaves off, psychological obsolescence takes over. We are made to feel ashamed to wear clothes or drive cars until they are worn out. The mass media have convinced us that to be out of step with fashion is to be out of step with reality. It is time we awaken to the fact that conformity to a sick society is to be sick. Until we see how unbalanced our culture has become at this point, we will not be able to deal with the mammon spirit within ourselves nor will we desire Christian simplicity. This psychosis permeates even our mythology. The modern hero is the poor boy who purposefully becomes rich rather than the rich boy who voluntarily becomes poor.

We should take exception to the modern psychosis that defines people by how much they can produce or what they earn. We should experiment with bold new alternatives to the present death-giving system. The Spiritual Discipline of simplicity is not a lost dream, but a recurrent vision throughout history. It can be recaptured today. It must be.”

To which, all I can say at this moment is, “Wow!”

## Social Ministry & Benevolence Thank you!

### November Benevolence

The local DAV (Disabled American Veterans) was the recipient of our monthly benevolence. They were very grateful for our generous check to go to the purchase of their new van. The group still needs van funds and would be happy to receive individual donations. Many members of our congregation receive services from this group.

Thank you for your support.  
Social Ministry Team

*Mike Trefren presents Jim Schwartz with a check for DAV from the congregation.*

### Social Ministry Project

The congregation donated sweatshirts and pants for students at Wimauma and Reddick Elementary schools. Each school received about 100 pieces of clothing. A Thrivent team was formed and added many sweats to the donation. The staff members were very pleased to receive the items. Many of the students in these schools are below the poverty line and need warm clothing. Our donation will bless the lives of many students ages 3-11.

Thank you for your donations,  
Social Ministry Team

*Diane Brace and Richard Barr deliver Redeemers donation of sweatshirts and pants to Wimauma Elementary staff (above) and Reddick Elementary staff (below).*

### February Benevolence and Social Ministry

The February project and benevolence is Our Lady of Guadalupe Food Pantry. This mission provides many boxes of food on a weekly basis to our area residents. A list of needed items is available on the table in the narthex. We are suggesting that each of us bring a food item each Sunday morning. Sharing a can or a box each week seems like a small amount, but it adds up. The money collected will be given to the staff to purchase needed items. Supporting the pantry benefits many residents in Sun City Center and our church members.

May God continue to BLESS this important mission.

# FEBRUARY EVANGELISM

by Candy Allman

Last month we talked about how evangelism can start once a new person comes into the church. That way, the “hard” part has already been done for you, that being inviting someone to church. A few of you approached me and told me that you want to help me by being part of the new Welcoming Team Ministry. First, I want to say thank you to those who approached me, and thank you to those that I have personally approached, and thank you to those that will attend our first Welcoming Team meeting.

For those that missed last month’s article, let’s recap. I am starting a new team and need your help. I know you have seen me walk around before or after church talking to folks. I know you think this must be easy for me, but in truth it is one of the hardest things I do. I love people so of course that helps, and I love all of you so that is a tremendous help, but it is still hard for me to do this. I also love getting to know each of you and the best way I can do that is to talk to you personally. If you were watching me, you might realize that I just can’t greet everyone; this is where I need your help. I need you to join me on Sunday mornings, put your purse down, or your sweater or whatever you bring to church, to “save your seat” if you must (I do this) and then just walk around and say good morning to folks. You would not believe how that makes people feel. We don’t know what they are going through at any given time, and just saying good morning, could make a big difference in their day. Another way for you to

help me is during coffee hour. If you know someone is visiting, maybe because they stood up and introduced themselves, (how hard do you think that was to do?) or you just don’t recognize them, invite them to coffee hour and sit with them. If you see someone you don’t know at coffee hour and they look lost, invite them to sit with you. I know that is your social time also. Trust me, you will be blessed and maybe find a new friend in the process.

So, on Wednesday, Feb 7<sup>th</sup> at 3:15 PM I would like to talk to you about how you can help me. We will meet in the fellowship hall (because I know there are so many of you that want to be part of this team that the conference room will not hold everyone.) to learn how easy it is to be the evangelist that God called us each to be.

Candy Allman
