OUR MISSION: PROCLAIM JESUS CHRIST, GROW IN FAITH, AND LOVE ALL PEOPLE

A message from Pastor Allman by Pastor David Allman

“Stronger Together” is a term that is often used when we (the ELCA) talk about full communion partners – that is, other Christian denominations with which we enjoy sharing communion at the Table of the Lord; and, a clergy person from one denomination can serve a congregation from the other. As I was reading an article about being “stronger together” it inspired me to think about how this is also appropriate language to help us as a congregation here at Redeemer.

In my humble opinion our society has taught us to be too independent. A few weeks ago someone showed me a picture taken outside of a building which had about fifteen people standing close enough to be in the same picture together, yet separated enough that every one of them was busy doing

something on their respective cell phones. I know many of you are thinking you are not that addicted to your cell phone. That is not my point. It is simply one illustration.

My point is that picture perfectly illustrates how much we have become separated from the people around us, even when we are all sitting in the same worship space together on Sunday morning. Think for a minute about how many of the people sitting around you on Sunday morning you could say you actually know very well. Could you name the fifteen people who sit closest to you every Sunday? What about WELCA? Do you know each of the names of the others who come? What about the Bible Study? Do each of you who come know the names of the others who come every week? The same with our folks who gather

for snacks and beverages after Sunday worship; how many of the people sitting at the other tables could you name?

Why is that important? Because we are stronger together. Because we are one body of Christ with many members. Because there may come a time when I announce that a person has made the transition into their heavenly home; and, you did not recognize the name so you did not come to the memorial service; and, too late you realize that person had sat right behind you every Sunday for years.

Please consider these questions carefully. When you look at the large list of names in our prayer concerns every week, are they more than simply a bunch of letters on a page? When we list the Council members in the Annual Report, can you say you know each of

them? How about the peoples' names who write the Ministry Team reports? Can you put a face with the name? Do you know the names of the people who sing in the choir every week? Do you know the names of the people who serve in the kitchen every week? The Altar Guild? The Ushers? I could go on and on with these questions.

The point is not to shame anyone. The point is to think about all of the ways that we can be stronger together. The people doing ministry at and attending Redeemer are your brothers and sisters in Christ. Every one of us is part of the same family of God. God does not want us to simply be a bunch of individuals who sit in the same space on Sunday morning without ever interacting. God expects us to come together in love and support of one another so that we are stronger.

How might we (at Redeemer) become stronger together if each of you took the time to get to know someone new every week?

News from the Office Administrator September 2018

by Susan Warner

And just like that we are heading into September! School has begun and we are seeing some of our snowbirds begin to drift back. I think this is my favorite time of the year here at Redeemer, seeing our snowbirds coming in on Sunday morning. It is fun for me to see you return, but also to see you greet one another. This is truly a loving community.

Soon many of our groups will begin to meet again, like WELCA (Women of the ELCA) offering programs and fellowship for our ladies. For most of their programs they invite men to participate as well. Our Parish Nurses have some wonderful educational and health-related events coming up. See the list below. I especially want to highlight November 13 with AJ Cipperly. She is a highly regarded expert on dementia. I have been to one of her presentations and walked away knowing a lot more about dementia and its effects on the individual as well as family and caregivers.

Hopefully by now you have had a chance to check out the remodeled library. We are continuing to accept donations to cover the cost of the new couches. To contribute, designate your gift on the memo line of your check, on your offering envelope, or see Susan or Kadie.

Our Visitation/Communion Teams continue to reach out to our members in need with companionship and communion. Our parish nurses are providing support to our members with medical issues. **If you know of anyone who needs visiting or help with a medical question, or if you would like to be one of our volunteers providing care, please feel free to contact me at carekeepersccr@gmail.com or call the church office at 813-634-1292. Our list of folks who are homebound keeps increasing and we could use more team members to visit them, particularly men to visit other men.** If you have a couple of hours a month to reach out to one of these members, please consider joining us. It makes such a difference in their lives, as many are lonely and craving human interaction; I often receive feedback from those visited saying how much it meant to them. Believe me, you will be even more blessed by the visit!

SEPTEMBER STEWARDSHIP

by Pastor David Allman

“Always be humble and gentle. Be patient with each other, making allowance for each other’s faults because of your love. Make every effort to keep yourselves united in the Spirit, binding yourselves together with peace... there is one Lord, one faith, one baptism, one God and Father of all, who is over all, in all, and living through all” (Ephesian 4:2-3, 5-6).

Can you imagine telling your best friend that you love her/him and want to spend as much time with her/him as possible, although you cannot stand to be around her/his child (or grandchild) and you cannot stand to be in the same room as that child (or grandchild)? Would that “best friend” think you were being sincere about loving her/him?

Can you imagine telling God how much you love and cherish God; and, that you cannot wait to spend time with God each morning after you wake? Can you imagine wanting God to believe your heart is sincere, and at the same time hating one or more of God’s children because she/he disagrees with you politically, racially, ethnically, religiously, etc.?

Think about whichever Christian you simply cannot stand to be in the same room with, then imagine bowing your head and praying, “*God, please believe that I love you with all my heart and want to follow your ways, although I cannot stand your daughter/son, (fill in the name), so please make sure I never have to be in the same room with her/him*” (fill in the blank with the name of the person you cannot stand).

It is not easy, is it? At least I hope it is not easy. Even if you cannot stand to think of that other Christian as a sister or brother in Christ, you cannot deny that other Christian is a child of God; “...one Lord, one faith, one baptism, one God and Father of all...” How sincere will God believe you to be about loving God with all of your heart, if you carry hate in your heart for one or more of God’s children?

The second part of our Mission Statement is that we “Grow in Faith.” That does not only mean learning more about God. It also means learning to love others as we love ourselves, especially those we find it hard to love.

Social Ministry & Benevolence Thank you!

Thank you for your generous support of the school supply drive in July! My trunk was filled with all the donations members brought to church. It took three trips to Walmart to purchase even more supplies using the Thrivent Action card and cash donations from members. The total \$525 went a long way with all the back-to-school special sales. The staff at Reddick Elementary School in Wimauma, and Thompson Elementary and Ruskin Elementary schools in Ruskin all expressed their gratitude for the donations to help their students get a good start to the new academic year. In addition to the school donations a backpack with school supplies was donated to a family at Haven of Hope. Thank you again for your generosity!

Peace be with you,
Diane Brace

Blood Pressure Categories

BLOOD PRESSURE CATEGORY	SYSTOLIC mm Hg (upper number)		DIASTOLIC mm Hg (lower number)
NORMAL	LESS THAN 120	and	LESS THAN 80
ELEVATED	120 – 129	and	LESS THAN 80
HIGH BLOOD PRESSURE (HYPERTENSION) STAGE 1	130 – 139	or	80 – 89
HIGH BLOOD PRESSURE (HYPERTENSION) STAGE 2	140 OR HIGHER	or	90 OR HIGHER
HYPERTENSIVE CRISIS (consult your doctor immediately)	HIGHER THAN 180	and/or	HIGHER THAN 120

From Parish Nurse Team

Blood pressure is a key indicator of how well the cardiovascular system is functioning and can signal many diseases and conditions.

There is a healthy blood pressure range, and having too high or too low blood pressure can cause serious, long-term health consequences. Unfortunately, many people with poor blood pressure may not realize they're at risk. According to the American Heart Association, an optimal blood pressure range is at or less than 120/80.

This is what those numbers mean:

- The top number (120) is your “systolic blood pressure.” It indicates how much pressure the blood is exerting while the heart is actively pumping into the blood vessels. The bottom number (80) is your “diastolic blood pressure.” It indicates how much pressure the blood is exerting between pumps when your heart is at rest.

Which number is most important?

Both are important. Having a high number in either systolic or diastolic pressure can lead to a diagnosis of hypertension (high blood pressure) and is a risk factor for cardiovascular disease.

Hypertension (high blood pressure)

Hypertension is a common and dangerous condition. It causes persistent strain on both the heart and the blood vessels, which can lead to serious dysfunction. This can manifest as weakening of the heart, as well as damage to the blood vessels, causing various organ failure in the long-term.

There may be some symptoms that accompany hypertension – such as fatigue, shortness of breath and headaches – but in general, the condition shows no typical symptoms.

Hypertension can cause stroke, acute kidney failure, heart attack and blindness, among other ailments.

Risk factors for hypertension include age, high body weight, low activity level, poor diet, smoking, excessive alcohol consumption, high stress levels, certain chronic diseases (including diabetes) and a family/personal history with the condition.

Keeping body weight within a normal range, eating a heart-healthy diet, decreasing mental stress, and having a regular aerobic exercise routine can have a profound effect on blood pressure.

Life Line Screening

Redeemer Lutheran Church is pleased to offer a preventive health event. Life Line Screening, a leading provider of community-based preventive health screenings, will host their affordable, non-invasive and painless health screenings on 9/10/2018. Five screenings will be offered that scan for potential health problems related to: blocked arteries, which is a leading cause of stroke; abdominal aortic aneurysms, which can lead to a ruptured aorta; hardening of the arteries in the legs, which is a strong predictor of heart disease; atrial fibrillation or irregular heart beat, which is closely tied to stroke risk; and a bone density screening for men and women, used to assess the risk of osteoporosis. Register for a Wellness Package which includes 4 vascular tests and osteoporosis screening from \$149 (\$139 with our member discount). All five screenings take 60-90 minutes to complete. There are three ways to register for this event and to receive a \$10 discount off any package priced above \$129. Please call 1-888-653-6441 or visit www.lifelinescreening.com/communitycircle <<http://www.lifelinescreening.com/communitycircle>> or text the word *circle* to 797979

WELCA Fall Gathering

All women are invited to attend the Women of the ELCA Fall Gathering to be held at Lake Yale retreat center November 9 - 11. Come and share a time of celebration and fellowship. Be in an uplifting environment surrounded by 250 Sisters of Faith, along with a Bible Study, great music, fun workshops, and more. The retreat will revolve around the love of God for "God is Love". Hands of Faith

Hands of Faith is a training program for providing support to cancer patients. Join us in learning the needs of cancer patients and in knowing how to better understand and help those who are on this journey. The class will be held in Buhr Hall on Tuesday, October 9th from 10:00 AM to 2:30 PM. Lunch will be provided through a Thrivent Action Team. A signup sheet will be placed on the narthex counter closer to the date.

"Stop the Bleed" Kits

You may have noticed the small red bags labeled with "Stop the Bleed" that are under the AEDs – both in the Narthex and Buhr Hall. These supplies are for arterial bleeding (gushing, pulsating) – the type of bleeding that cannot be controlled by holding pressure. Several people in the congregation have attended the training for using these supplies. For less severe bleeding, there are supplies in the first aid kit in the cabinet in the narthex. We want everyone to be aware of where all these items are located.

Stop the bleed kit can be found under the AED on the left side of the Narthex counter.

"Stop the Bleed" Kits- continued

The other Stop the bleed kit can be found under the AED in Buhr Hall. This is near the entrance to the women's restroom.

September 2018 Artist of the Month

The Art Club in Sun City Center has chosen Marion Giblin as artist of the month for September. Originally from Connecticut, Giblin has always had an interest in the arts -- drawing, painting, crafts, and sewing. While residing in rural areas of the northeast, Giblin raised three children and pursued degrees in education at Mansfield University and the State University of New York. Her career in education as teacher, then later school administrator, did not allow time to follow her passion for art. However, she did spend time on creative projects with her children, one of whom is now an artist in Connecticut. After moving to Sun City Center in 2002, she continued her education career with Hillsborough County Schools. In 2010, Giblin retired, soon joined the SCC Art Club and enrolled in painting classes and workshops. Later, she joined the Kings Point Art League and the Southshore Arts Council. Each year, Giblin has entered area art shows and received awards for her paintings. She especially enjoys painting landscapes in oil, but also enjoys the rewards of painting different topics, including portraits of her grandchildren. Currently she is studying oil painting with Joe Kanoza with the Art Club in SCC. She has also studied oils with Virginia Laudano and Linda Scola, and watercolors with Diane Simon. Since joining the Art Club, Giblin has been an active volunteer, serving on club committees including the annual art show, Fun Fest, Hi Neighbor and the distribution committees. Currently, Giblin is vice president of the club. Her enthusiasm for volunteering also includes service to Redeemer Lutheran Church and the Nearly New Shop. You can view Giblin's paintings at Cadence Bank, Fiore's Restaurant, La Beautique Style Salon, SCC Information Center, SCC Library, SCC Samaritan Services, and the SCC Art Club display window. For more information about the Art Club in Sun City Center, visit our website at www.artclubofsc.org.

Congratulations Marion Giblin for being named artist of the month!

The Quilters need your help!

The quilters are in need of bed sheets--flat or fitted, print or plain, any size. We need them for backings for our Lutheran World Relief quilts. The ones that can't be used for backings will be cut into squares and become part of the quilt fronts. Please take your donations to Buhr Hall and place them on one of the square tables near the east wall. Thanks!

The quilters meet every Friday from 9:30 AM to noon. If you are interested in joining, please come by and lend a helping hand. Sewing experience is plus but not a requirement. There are plenty of jobs for non-sewers.

Library Project

The library project is nearing completion. The new loveseats have arrived and they are so comfortable. Please stop in to the library and take a look. A picture of the loveseats is up on our giving tree in the Narthex. If you would like to make a donation to the library fund write "library" on the memo line of your check or envelope.

Thrivent Day at the Rays
