RLC Newsletter

January 2019

A message from Pastor Allman by Pastor David Allman

Since we have to write these articles halfway through the previous month, it is hard to imagine the New Year when I am not yet fully prepared for the Choir Cantata, Christmas Eve, and Christmas Day, not to mention all of the other work yet to be done; and, in our personal lives we have Dean's mother coming from England for a Christmas visit (which is wonderful) and getting senior year things done with Noah, which include applications and all related documents and exams for college.

Then January comes as the start of the New Year with all of the busy-ness of that month. We are considering a 2019 Spending Plan; and preparing for the Annual Meeting, with Annual Reports, the proposed Spending Plan vote, new Council elections,

etc. for January 27th. In addition, we as a Council have chosen to re-introduce an Annual Stewardship Program to Redeemer this year using the Consecration Sunday Program which will culminate on January 20th with worship and lunch. Not to mention my continuing education in Spiritual Direction through Lutheran Theological Southern Seminary in January.

We first introduced you to the Consecration Sunday Stewardship Program in the November Newsletter, and there is an article about it in this newsletter from David Schierenbeck, Council President. We like this program because it emphasizes your spiritual relationship with God and how God leads you to use your finances to support God's work through Redeemer. We hope you

receive this program in the Spirit in which it is given.

It will not be long after January is over that Lent begins. This year, 2019, also marks the 40th Anniversary of our official recognition as a congregation. Our official anniversary is April 1st, and we will celebrate it on Sunday, March 31st with a special luncheon and the presence of our Synod Bishop, The Reverend Pedro Suarez to preside and preach during worship. Then Easter comes a little later this year on April 21st. As you can see we already have a very full and event-filled first four months of the year.

Many years ago I can remember our Presiding Bishop making the comment that it was an exciting time to be the church. Looking back I feel like he was being

prophetic for his current time as well as future generations as it is still an exciting time to be the church. Please plan to join the excitement.

STEWARDSHIP

by Pastor David Allman

“Friends, don’t go along with evil. Model the good. The person who does good does God’s work. The person who does evil falsifies God...” (3 John, verse 11; MSG).

It is hard to imagine someone not listening to one of the original disciples of Jesus. John was among the first four called to be followers, along with his brother James, as well as Peter and Andrew. John was chosen to be among the twelve Apostles; and, even became part of Jesus’ closest friends and followers along with James and Peter. John witnessed the transfiguration, was sent into Jerusalem to prepare the Last Supper and sat closest to Jesus as they ate their final Passover together.

In his gospel John refers to himself as the one whom Jesus loved. That was not out of arrogance, rather it was how John came to identify himself beyond any and all achievements. The fact that Jesus loved him so much that Jesus gave his life for John became the most important thing in John’s life and existence. It is hard to imagine someone rejecting John’s teaching when John had that kind of commitment to and passion for Jesus Christ.

In the Third Letter from John he is writing to his good friend Gaius to encourage him and the believers to continue their hospitality to strangers. In verse five John writes, *“...when you extend hospitality to Christian brothers and sisters, even when they are strangers, you make the faith visible.”* Apparently there was at least one who rejected this teaching as in verses nine and ten John writes, *“Earlier I wrote something along this line to the church, but Diotrephes, who loves being in charge, denigrates my counsel. If I come, you can be sure I’ll hold him to account for spreading*

vicious rumors about us. As if that weren’t bad enough, he not only refuses hospitality to traveling Christians but tries to stop others from welcoming them. Worse yet, instead of inviting them in he throws them out.”

The Apostle John valued what Jesus valued; and, he made Jesus’ teachings about love a priority in his writings. Still there were those who did not like John, and apparently even tried to ruin his reputation with others by *“spreading vicious rumors.”* This is not unusual even in the Church. When some feel their power threatened they seek to ruin the one whom they feel threatens them, even by *“spreading vicious rumors.”*

Do not get caught up in such things. Take the higher road, like John wrote, *“Friends, don’t go along with evil. Model the good. The person who does good does God’s work. The person who does evil falsifies God...”* (3 John, verse 11; MSG).

What Vaccines are Recommended for Older Adults

All adults need immunizations to help them prevent getting and spreading serious diseases. As we get older, our immune systems tend to weaken over time, putting us at higher risk for certain diseases.

Flu - All adults need a seasonal flu (influenza) vaccine every year. Flu vaccine is especially important for people with chronic health conditions and older adults. Over 60 percent of seasonal flu-related hospitalizations occur in people 65 years and older.

Td - Every adult should get the Tdap vaccine once if they did not receive it as an adolescent to protect against pertussis (whooping cough), and then a Td (tetanus, diphtheria) booster shot every 10 years. You may also need a booster if you have an injury.

Shingles - Almost 1 out of every 3 people in the United States will develop shingles (Herpes Zoster) in their lifetime with risk increasing as you get older. There is a new shingles vaccine (Shingrix) that is more effective than the previous one (90% effective). You will need two doses two to six months apart. You can get the new more effective vaccine (Shingrix) even though you had the previous one (Zostavax) or you have had shingles.

Pneumococcal - This vaccine protects against pneumococcal disease, including infections in the lungs and bloodstream. The vaccine you need is the Prevnar 13, even if you have had previous pneumonia vaccines.

Medicare covers most vaccines, but the co-pay will depend on your individual plan. You may also want to check the pharmacy versus the office price.

Talk with your doctor or other healthcare professional to find out which vaccines are recommended for you at your next medical appointment.

Consecration Sunday Is Coming

Congregations that approach financial stewardship from a biblical perspective do not view the money Christians give to their church merely as a way to pay its bills. Rather, such congregations see financial contributions as a way to help people grow spiritually in their relationship with God by supporting their church's mission and ministry with a percentage of their incomes.

Our congregation's Stewardship & Finance Team has selected the *New Consecration Sunday Stewardship Program* as a way to teach the biblical and spiritual principles of generous giving in our stewardship education emphasis this year.

New Consecration Sunday is based on the biblical philosophy of the need of the giver to give for his or her own spiritual development, rather than on the need of the church to receive. Instead of treating people like members of a social club who should pay dues, we will treat people like followers of Jesus Christ who want to give unselfishly as an act of discipleship. *New Consecration Sunday* encourages people toward proportionate and systematic giving in response to the question, "What percentage of my income is God calling me to give?"

During morning worship on Consecration Sunday (1/20/19; 10:00 AM), we are asking our attendees and members to make their financial commitments to our church's mission and ministry in this community and around the world.

Every attendee and member who completes an *Estimate of Giving Card* does so voluntarily by attending morning worship on Consecration Sunday. We urge people to attend who feel strongly opposed to completing a card. The procedure is done in such a way that no one feels personal embarrassment if he or she chooses not to fill out a card.

We will do no home visit solicitation to ask people to complete cards. During morning worship our worship leader will conduct a brief period of instruction and inspiration, climaxed by members making their commitments as a confidential act of worship.

We will encourage participation in Consecration Sunday events through the Consecration Sunday team and Congregation Council members. Since we will make no follow-up visits to ask people to complete their cards, we will make every effort to inform, inspire, and commit everyone to attend Consecration Sunday worship.

Thanks in advance for your enthusiastic participation in Consecration Sunday events.

David Schierenbeck,
Council President

Discount programs for some drugs are available. If you are taking high cost medications and having difficulty with the cost, see a member of the Parish Nurse Team who can help you research some options.

Christmas Cheer & Carols

A big thank you to Sandy Gundacker for playing the organ and thank you to everyone involved in making this event possible. We had a great time singing Christmas Carols and enjoying the fellowship times with our friends and neighbors. We had about 77 people in attendance, and we hope to do it again next year.

Meals on Wheels

Meals on Wheels provides hot, nutritious meals to the homebound, disabled, and elderly throughout our community every day. Local volunteers distribute the meals, and Redeemer has accepted this responsibility for the month of May. Our thanks to David Kiefer (SCC) and Kathy Hackett (King's Point) for organizing the Redeemer volunteers/drivers for the past several years.

David will not be continuing, which means we need a new organizer for Redeemer for Sun City Center for this one month. David will assist you with the details. Please let the office know if you can organize this worthwhile service for May.

Sharing the Hope of Jesus

WELCA will meet on Wednesday, January 16th beginning with refreshments at 9:30 AM. A program on "Sharing the Hope of Jesus" will be presented by Yvette Moy, a current ELCA seminary student who has been very involved in Lutheran outreach in the Washington DC area. She has a passion for sharing the love of Christ and describes one of her greatest joys as equipping individuals to share the Gospel. She also leads "Aging With Grace" and serves as a congregational spiritual director. Yvette is a longtime friend of Marion Giblin and one of the recipients of 2018 Rummage Sale funds. It is a privilege to have her present to share with us. Remember to wear your Redeemer name tag if you have one. All are welcome to come hear her inspiring message of faith.

Hearing Loss and the Aging Brain

Do you know the connection between age and hearing loss? Come hear Dr. Lisa Tanner, Doctor of Audiology, who will explain the relationship between various aging diseases (Dementia and Alzheimer's, as well as just aging in general) and how they are related to hearing. The presentation will be on Tuesday, January 15th beginning with lunch at 11:30 AM. FREE If you will be attending, please sign the sheet on the counter in the narthex.

Gift Bags

Thanks to those who baked cookies, assembled the gift bags which this year were big stockings, and delivered them to the home bound. The many helping hands were greatly appreciated.
