March 2019

A message from Pastor Allman by Pastor David Allman

This is one of the odd years when Lent begins in March and Easter happens later in April. Yet, we still have 40 days of Lent. We will still have Ash Wednesday Worship, with the distribution of ashes and Holy Communion. We will still have midweek Wednesday worship services in the afternoon, and a book study on Wednesday evenings. This year our afternoon worship series theme will be “At the Crossroads;” and, the evening book study will be based on Max Lucado’s “Before Amen: The Power of a Simple Prayer.” You do not have to buy or read the book to join the study group. There will be a “study guide” available for purchase if you choose. A signup sheet will be on the Welcome Table and you can indicate whether you want to purchase a study guide there.

“Do I have to give up something for Lent?” That is a question I hear on occasion at this time of year. And, along those same lines, *“Isn’t that just for Catholics?”* The answers are “No” and “No.” The Lutheran Church does not insist that we give up something for Lent; and, the opportunity is open to all Christians. So, why do it?

The purpose is to participate in a partial fast, which is a spiritual discipline that is open to all Christians. A complete fast would be to give up food and water for a specified period of time, specifically for spiritual reasons (i.e. God tells you to). A complete fast should not be done without consulting your doctor and without a specific spiritual direction to do so. A partial fast, like giving up something for Lent, can help us

be aware of how much control something can have over our life.

As a personal example, in two separate years I have given up Pepsi and chocolate, and discovered that those things can be addictive. It was a great learning experience. I highly recommend that you consider giving up something you really love, whether a food, beverage, or activity and after Lent evaluate how addictive that food, beverage or activity had become for you. As an alternative, you might consider giving the money you would have spent on the food or beverage to the Church or another charitable organization. Or, you might consider using the time you would have spent on that activity to read the Bible or to add to your prayer time.

Most of all Lent is a time to examine one's life, both physical and spiritual, and see how that life does or does not conform to God's Will. It is not a Law, it is a Gift. An opportunity to draw closer to God and allow God to shape you and your future for the better.

News from the Office Administrator

March 2019

Happy Spring! It is hard to believe that it is March and Lent begins already; I am still recovering from Christmas. For Lent this year we will be having a 3:00 PM service (except on Ash Wednesday when it is a 4:00 PM service with soup supper to follow) and a four-week, 7:00 PM book study beginning on March 13th. The book study is authored by Max Lucado and is entitled *Before Amen*.

Make sure to look at the events listed at the bottom of this article, as we have a lot going on this month. Of special note is the return of AJ Cipperly for two workshops on Dementia. She is a renowned expert on this topic-- you can't help but learn something new.

We will be having a New Member Sunday on the 24th. If you are interested in membership at Redeemer, please see either Susan or Kadie in the office and we will give you all the details. On this Sunday we will recognize all who have joined since the last New Member Sunday.

Make sure you check the Welcome Table in the narthex for upcoming events. We post flyers and signup sheets there for many different activities, so come and choose some fun and informative things to do!

Our Visitation/Communion Teams continue to reach out to our members in need with companionship and communion. Our parish nurses are providing support to our members with medical issues. **If you know of anyone who needs visiting or help with a medical question, or if you would like to be one of our volunteers providing care, please feel free to contact me at carekeepersccr@gmail.com or call the church office at 813-634-1292. Our list of folks who are homebound keeps increasing and we could use more team members to visit them, particularly men to visit other men.**

Upcoming Events:

Thursdays at 10:00 AM – Bible Study in Buhr Hall. Refreshments will be served!

Monday, March 4 from 11:30 AM - 2:00 PM – AJ Cipperly returns with another presentation on dementia “Seeing Progression Not Just Loss”. Lunch will be served and it is a FREE event.

MARCH STEWARDSHIP

by Pastor David Allman

In one article about stewardship the opening question reads, *“Every time the word ‘stewardship’ is mentioned, do you see people gently slide down in their church pew or move to protect their wallets?”*

Stewardship has an undeservedly bad reputation in most mainline churches. Most members equate the word stewardship specifically with money, although that is a very limited understanding of what the Bible talks about. Biblical stewardship is about a believer’s entire life. Is money part of life? I think everyone would answer, *“Of course it is...”* Is money the only thing in life? I hope everyone would answer, *“Of course not!”* If you answer that money is the only thing in your life, then we need to talk about more than simple stewardship.

Commercials, television, the Internet, movies, and more communicate that our individual happiness is only achieved by focusing on our own wants and desires. I have heard older adults talk about younger generations having an attitude of entitlement. I think the reference is about some people expecting things to be given to them, while

those saying it would claim that they had to work for everything they have.

Psalm 24:1 reads, *“The earth is the Lord’s and all that is in it, the world, and those who live in it.”* The Bible says that everything we have and even who we are literally belongs to God; and, what we think we own is on loan from God, for which God calls us to be stewards of what belongs to God – the earth, people and possessions. A simple calculation to determine everything that belongs to you is to name everything you get to take with you when you die. The common denominator for rich and poor alike is how much we get to take with us when we die.

Biblical stewardship has everything to do with our relationship to the Almighty and very little to do with what we think we own. As you evaluate your mind, body and spirit during this Lenten season remember Jesus’ words, *“Therefore I tell you, do not worry about your life, what you will eat or what you will drink, or about your body, what you will wear...indeed your heavenly Father knows that you need all these things. But strive first for the kingdom of God and his righteousness, and all these things will be given to you as well”* (Matt 6:25, 32-33; NRSV).

Sister Sara Free Medical Clinics

Sister Sara Proctor is a PA and program coordinator of the CC Free Medical Clinics.

For the past 19 years, Free Medical Clinics has worked with volunteer physicians, nurses, and other health and social service professionals to provide free medical, health promotion and social services to indigent, low income families, those without health care and the under-served people in our communities. The services are provided in a fully-equipped medical bus, plus three stationary clinics, which are staffed with volunteer doctors, nurses, and bilingual interpreters. Services provided include: Family Practice, Internal Medicine, Pediatrics, Dermatology and Ophthalmology. Sister Sara also has health fairs each year to screen for hypertension and diabetes.

"Health education is a very important part of our work here," Sister Sara said "You may not lay hands on a patient, but by your hands they are healed." Our motto is "A walk into the clinics or the bus avoids a walk into the ER." Sister Sara will speak at the March 20th Lent service at 3:00 PM.

Thank you for your support of this much needed program!

March Evangelism

by Candy Allman

Our Wednesday Fun Night has been very successful so far. Our first month we hosted a **Dinner & a Movie Night**, where we watched the popular movie, *Mama Mia*. We had a large turnout and everyone enjoyed the pizza and movie and collected their raffle tickets for the drawing later this year. In February we hosted **Game Night**. Again we had a great turnout with everyone having a great time playing games and have dinner together.

Due to Lent starting in March, we have decided to forgo our Wednesday Fun Night for just this month. May I suggest that you join us for our 4 week-Lenten Book Study titled "Before Amen". The sessions begin on March 13th with the final session on April 3rd. You can find more information about this book study in this newsletter and the bulletins.

Herpes simplex virus type 1 (HSV-1)

HSV-1 is a highly contagious infection, which is common throughout the world. Most HSV-1 infections are acquired during childhood, and infection is lifelong. The vast majority of HSV-1 infections are oral herpes (infections in or around the mouth).

Signs and symptoms

HSV-1 is mostly asymptomatic, and the majority of people with HSV-1 infection are unaware they are infected. Symptoms include painful blisters or open sores called ulcers in or around the mouth. Sores on the lips are commonly referred to as **“cold sores.”** Infected persons will often experience a tingling, itching, or burning sensation around their mouth before the appearance of sores. After initial infection, the blisters or ulcers can periodically recur with the frequency varying from person to person.

Transmission HSV-1 is mainly transmitted by oral-to-oral contact.

Treatment

Antiviral prescription medications, such as acyclovir, famciclovir, and valacyclovir, are the most effective medications available. These can help to reduce the severity and frequency of symptoms, but cannot cure the infection. Over the counter creams, like Abreva (or generic equivalent) can also help especially when started early.

Prevention

HSV-1 is most contagious during an outbreak of symptomatic oral herpes, but it can also be transmitted when no symptoms are felt or visible. People with active symptoms of oral herpes should avoid oral contact with others and sharing objects that have contact with saliva.

Changing Abilities in Dementia

Many of you remember AJ Cipperly and her dynamic presentation on Dementia last November. She greatly increased our knowledge of the disease and many of the behaviors. She will be back on **Monday, March 4th at 11:30 AM** for a presentation on the "**Changing Abilities in Dementia.**" We will learn how our thoughts, feelings, and words play a role in "how" we see and care for people with dementia.

AJ is a Florida CORE trained and licensed Assisted Living Administrator and is currently the National Director of Memory Care and Training for Validus Senior Living based out of Tampa, FL. AJ holds certificates in conducting caregiver facilitator support groups; is a certified dementia care trainer for the State of Florida and is also a certified trainer for Teepa Snow's Positive Approach to Care strategies & techniques. In her role as National Director for Validus, she provides Memory Care leadership, support and training for each of their 13 communities as well as providing education for professionals and family caregivers.

Lunch will be provided through a Thrivent Action Team and dessert by Inspired Living. If you will be attending the lunch, please sign the sheet on the welcome counter in the Narthex.

Women of ELCA Meeting

WELCA will meet on **Wednesday, March 20th** beginning with refreshments at 9:30 AM. Beverly Hill Gaussiran will present a program titled "Abandoned" in which she will take us on a journey to better understand those who are struggling in the Mideast and North Africa. Learn how education and the gospel give hope and change lives. Beverly is familiar with this part of the world, having spent 14 years working in Saudi Arabia. More info on the program is on the welcome counter in the Narthex.

Remember to wear your Redeemer name tag if you have one. **Everyone** is welcome to come hear her message.

Soup Meal following the Ash Wednesday Service on March. 6th

WELCA is organizing a soup meal following the 4:00 PM Ash Wednesday Service on March 6th. If you are willing to provide a crock pot of your favorite soup, some bread, or a dessert, please sign the sheet on the counter in the Narthex. Plan to stay after the service to try a variety of delicious home cooked soups!

Service times during Lent

The Lenten worship theme this year will be *At the Crossroads*. Wednesday service times will be at 3:00 PM (with the exception of Ash Wednesday).

Many of those involved in the story of the Passion of Christ came to a crossroads and had to decide which way to go. Some chose well, some did not, and the stories of each of these experiences at various crossroads helps us to know what to do and what not to do when we encounter similar crossroads in our own lives. In the end, each service in the series reveals in some way how Christ and his cross help us to decide which path is in line with God's will for us.

Bible Study

Members, visitors, guests, and friends, please join us on Thursdays at 10:00 AM for Bible study. The current topic is Hebrews. No prior knowledge of the Bible required, and you don't even need to bring a Bible. One will be provided for you.

Refreshments are served and it is FREE!

Women's Bible

Women's Bible Study meets at noon the 2nd Friday of each month. Women's Bible Study will meet again on March 8th. Susan Wold and Paula Simenson co-lead the Bible Study. A new topic from the Gathering magazine is discussed every month. All women are welcome to attend, so come join us and bring a friend.

Southshore Concert Band Performance

The Southshore Concert Band will present a concert on Monday, March 18th at 7:00 PM. The band will play a concert entitled “Pops Band Concert” which will feature songs of the eighties. Featured artists include Whitney Houston, Michael Jackson, the Beatles, the Temptations, and Carole King.

Rummage Sale 2019

The annual WELCA rummage sale was a stunning success. We started in September 2018 to collect items. We priced and sorted things and stored them in Phil Eaton's garage (thanks Dick). Unpriced items were put in Edsil's garage (thanks Kathie Hackett). Many new volunteers came to help on the collection dates. In December, we had the congregation Christmas sale, which went very well. In January, we started to collect merchandise. We were able to price and box like items for easier set up. We had a team that set up racks (thanks John and Amy). Feb. 2nd the AMIKids came to Buhr Hall and set up the tables. Thanks to Dick and Jerry for being there to help with the boys. All the publicity was sent out to the town. On Sunday, a large group showed up to get the show on the road. Monday, Tuesday, and Wednesday people brought in donations; boxes and bins were unpacked, clothes were hung, jewelry was displayed, craft corner was organized, books were put on tables, kids' table was designed, linens were folded and things were displayed. Thanks to many volunteers we were on target for Friday. Thursday we received many baked items. Many volunteers tweaked the tables to organize our products.

Friday morning the volunteers showed up, the parking lot was full, and the customers came. We had a line until around 10:30 AM. Sales were great. Saturday was a slower day but the tables became empty. We had the quilt drawing at 11:30 AM. The last hot dog was served. At noon we closed our doors. The remaining volunteers stayed to clean up. Buhr Hall was set for Fellowship.

Rummage Sale line starting at Buhr and goes the other doors.

I believe this year we had the greatest and largest group of volunteers for every event. New friends were made and a fun time was had by all. Through their dedication, we were able to raise over \$10,000 to use for projects. The Veterans' Memorial of SCC, the seminary student we support, and Disaster Relief will receive a donation. We will also use some of the money for a project at church. The Thrivent team was able to cover most of our food costs.

Rummage Sale 2019

I must admit this was the hardest year for me personally. I'm grateful for Tina Schwartz's help as co-chair. I am thankful for each volunteer who encouraged me to carry on. It has been my pleasure and honor to chair the sale for the last 11 years. I am stepping down as chair and will gladly assist anyone who wishes to assume that responsibility.

God's Blessing to all!

With gratitude and in memory of Mike,

Quilt Drawing

Thanks to everyone that bought a quilt raffle ticket. We had two winners from our Redeemer family and 2 from the community. Peggy Collins and Lucas Dehne were so happy to receive their quilts.

40th Anniversary Celebration Update

The 40th Anniversary Celebration for Redeemer is right around the corner. Hopefully at this point you have had an opportunity to purchase a ticket for the event. Following the service on March 31st we will have a catered meal and a special program in Buhr Hall. We will also have the pleasure of having the Bishop Pedro Suarez and his wife Aura here to be a part of this momentous occasion.

Thanks to all that brought in a personal photos from 1979. They will be part of our program at the anniversary celebration. If you agreed to write a devotional, please get those to Linda Eargle as soon as possible. We are hoping to have all devotionals in by Tuesday, March 5th.
